15th January 2024

Main sewage connection work – starting today

Mike Leigh reports:

“Selwyn District Council (SDC) have a contractor on site trenching behind the rugby club for our pending sewer connection. They are expecting to have our sewer line connected in 10 working days.

I am not sure how this will impact on access in and out of our carpark, but at this point I think additional care needs to be taken by all in this area.

SDC have a second contract for the refurbishment the 2 storm water soak pits and seal in the carpark. I'm not sure of the time frame for this.

I have organized a port-a-loo for the duration of the work as we have a busy schedule of bowls coming up..

It's all very exciting, as this work should finally allow our toilets to function properly, solve the repeat flooding of our carpark and give the carpark a fresh surface. However we have to put up with this work until it is completed.”

Coming events:

| January | | | |
|-----------|--------|----------------------------------|---------------------------------|
| Tues 16th | 6pm | Ladies Club night | |
| Wed 17th | 6pm | Mens Club night R2 Mens Pairs | |

Club Beanies

The Club is considering adopting official club beanies for members to wear on cold mornings or evenings especially when playing interclub.

These will be sold at Burkey's Bar similar to the current sale of club hats & caps.

Unsure of cost/beanie currently.

A graphic of the item will be on the club noticeboard. So that we can get an idea of likely demand please indicate on the form whether you would be interested in purchasing one.

Please send items for the newsletter to:
